

Hygiene Concept in the DMK Group for Visitors, Service Providers, Hauliers and External Companies

For the protection of our own employees and all other persons working at our sites, the following rules apply:

- For all external persons there is a **general obligation to wear face masks** on the entire company premises. Disposable face masks must be brought along and are only provided by the DMK Group in exceptional cases.
- Irrespective of the obligatory wearing of face masks, a safety distance of **at least 1.5 m must be maintained to all persons as far as possible**.
- Before entering the site, the **Special Query** for Visitors, Service Providers, Forwarding Agents and External Companies **or the Self-Declaration** concerning the DMK Hygiene Concept for External Employees of Maintenance and Installation Companies must be completed.
- **Access is not permitted to persons with flu-like symptoms** (e.g. fever, dry cough, shortness of breath, loss of taste).
- **Nor is access permitted** in case of contact with a **person who has tested positive** or a **suspected case** within the last 10 days (different country-specific regulations must be observed).
- When entering the country from a foreign risk area, the **country-specific regulations regarding quarantine and test procedures must be observed**.
- You may **only enter** the site **with your responsible contact person**. You will be accompanied by them to your work area and also accompanied back to the exit by them or their representatives. Leaving your work area is only permitted after prior consultation with your contact person.
- Use the disinfectant dispensers provided regularly to **disinfect your hands**.
- Please note that there is currently **no food** available at our sites.
- Further **individual specifications** of the individual **sites** must be observed.
